### **JOHN HANCOCK FINANCIAL OPPORTUNITIES FUND ANNOUNCES AMENDMENT TO MANAGED DISTRIBUTION PLAN AND DECLARES INCREASED QUARTERLY DISTRIBUTION**

**BOSTON, MA (July 1, 2015)** – John Hancock Financial Opportunities Fund (NYSE: BTO) (the “Fund”), a closed-end fund managed by John Hancock Advisers, LLC (the “Adviser”) and subadvised by John Hancock Asset Management, a division of Manulife Asset Management, announced today that its Board of Trustees voted to amend its current managed distribution plan (the “Plan”), increasing the amount of its quarterly distribution by 30 percent.

Under the Plan, the Fund will make quarterly distributions of an amount equal to \$0.3701 per share, an increase over the previous quarterly distribution of \$0.2961 per share. This new amount will be paid quarterly until further notice.

Pursuant to its Plan, the Fund declared its quarterly distribution today as follows:

Declaration Date: July 1, 2015  
Ex Date: September 9, 2015  
Record Date: September 11, 2015  
Payment Date: September 30, 2015  
Distribution Amount: \$0.3701

This new distribution amount equates to an annualized distribution rate of 5.53% based on the Fund’s NAV of \$26.75 and 5.44% based on the closing share price of \$27.20 as of June 30, 2015.

Distributions under the Plan may consist of net investment income, net realized long-term capital gains, net realized short-term capital gains and, to the extent necessary, return of capital. The Fund intends to fund its distributions, to the extent appropriate, through the realization of long-term capital gains when the distribution amount exceeds net investment income. The Fund will seek to realize capital gains for this purpose in a manner which the Adviser and Subadviser believe is consistent with prudent portfolio management and the investment objective, policies and guidelines of the Fund.

The Fund may also make additional distributions (i) for purposes of not incurring federal income tax on investment company taxable income and net capital gain of the Fund, if any, not included in such regular distributions and (ii) for purposes of not incurring federal excise tax on ordinary

income and capital gain net income, if any, not included in such regular quarterly distributions. You should not draw any conclusions about the Fund's investment performance from the amount of the Fund's distributions or from the terms of the Plan.

Although the Fund has adopted the Plan, it may discontinue the Plan. The Board of Trustees of the Fund may amend the terms of the Plan or terminate the Plan at any time without prior notice to the Fund's shareholders. The Plan will be subject to periodic review by the Fund's Board of Trustees.
