JOHN HANCOCK CLOSED-END FUNDS ANNOUNCE RENEWAL OF SHARE REPURCHASE PLANS

BOSTON, MA (December 8, 2016) – John Hancock Financial Opportunities Fund (NYSE: BTO), John Hancock Hedged Equity & Income Fund (NYSE: HEQ), John Hancock Income Securities Trust (NYSE: JHS), John Hancock Investors Trust (NYSE: JHI), John Hancock Premium Dividend Fund (NYSE: PDT), and John Hancock Tax-Advantaged Dividend Income Fund (NYSE: HTD) (each a “Fund” and collectively, the “Funds”) announced today that the Board of Trustees has renewed the Funds’ share repurchase plans that are set to expire on December 31, 2016.

The Board of Trustees approved the renewal of the share repurchase plans as part of its ongoing evaluation of options to enhance shareholder value and potentially decrease the discount between the market price and the net asset value per share (“NAV”) of the Funds’ common shares. Under the share repurchase plans, each Fund may purchase, in the open market, between January 1, 2017 and December 31, 2017, up to an additional 10% of its outstanding common shares (based on common shares outstanding as of December 31, 2016).

The share repurchase plans allow the repurchase of common shares in the open market at a discount to NAV. The plans could allow the Funds to realize incremental accretion to their NAV to the benefit of existing shareholders. They could also have the benefit of providing additional liquidity in the trading of common shares.

Year-to-date through November 30, 2016, the Funds have repurchased the following amount of shares: HEQ repurchased 312,533 shares (or 2.50% of the outstanding shares), contributing to its NAV by approximately \$0.05; JHI repurchased 84,400 shares (or 0.96% of outstanding shares), contributing to its NAV by approximately \$0.02; HTD repurchased 326,200 shares (or 0.91% of the outstanding shares), contributing to its NAV by approximately \$0.02; BTO repurchased 10,000 shares (or 0.05% of the outstanding shares) and PDT repurchased 105,700 shares (or 0.22% of the outstanding shares). The repurchases made by BTO and PDT had no impact on their NAV. JHS did not repurchase any shares for the year-to-date period through November 30, 2016.

There is no assurance that the Funds will purchase shares at any specific discount levels or in any specific amounts. Each Fund’s repurchase activities will be disclosed in its shareholder report for the relevant fiscal period. There is no assurance that the market price of the Funds’ shares, either absolutely or relative to NAV, will increase as a result of any share repurchases, or that the share repurchase plans will enhance shareholder value over the long-term.
