Average annual total return (in relation to NAV) for the 5 years ended on September 30, 2020 5.84%

Annualized current distribution rate expressed as a percentage of NAV as of September 30, 9.32%

<sup>1</sup> The Fund’s current fiscal year began on November 1, 2019, and will end on October 31, 2020.

2020

Cumulative total return (in relation to NAV) for the fiscal year through September 30, 2020	-13.56%
Cumulative fiscal year-to-date distribution rate expressed as a percentage of NAV as of September 30, 2020	9.31%

You should not draw any conclusions about the Fund's investment performance from the amount of this distribution or from the terms of the Fund's managed distribution plan.

The amounts and sources of distributions reported in this Notice are only estimates and are not being provided for tax reporting purposes. The actual amounts and sources of the amounts for tax reporting purposes will depend upon the Fund's investment experience during the remainder of its fiscal year and may be subject to changes based on tax regulations. The Fund will send you a Form 1099-DIV for the calendar year that will tell you how to report these distributions for federal income tax purposes.

The Fund has declared the October 2020 distribution pursuant to the Fund's managed distribution plan (the "Plan"). Under the Plan, the Fund makes fixed monthly distributions in the amount of \$0.0975 per share, which will continue to be paid monthly until further notice.
