

# My brain made me do it

Strategies to help you make better decisions

*John Hancock*<sup>®</sup> Investment Management

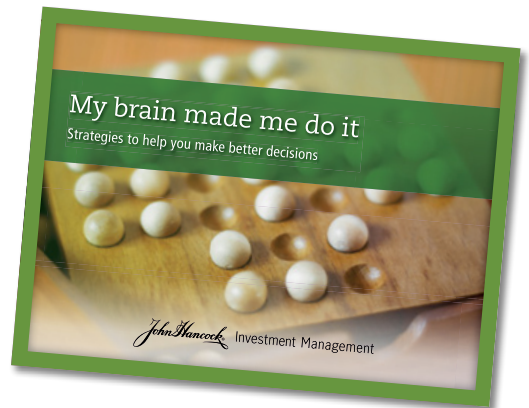

# A special workshop invitation

Successful investing involves rational, logical, thought and actions. Yet many people are afraid to make decisions, rely too much on the hot tips of others, or simply procrastinate.

## What can investors do instead?

Please join me for **"My brain made me do it,"** a complimentary financial workshop designed to help you better plan for your future. This seminar explores:

- How the brain reacts to emotional situations, such as making investment decisions
- Some of the more common investing mistakes many people make
- Actions you can take to avoid them

## Don't miss this exclusive financial workshop
