

Rollover Form (NAV)

Instructions

Use this form to rollover education savings plan assets directly from your current 529 plan to John Hancock Freedom 529.

Complete a separate form for each differently registered Account being rolled over.

If you are funding an Account with the proceeds from an UGMA/UTMA or you are rolling over from a Coverdell Education Savings Account, qualified U.S. savings bond, or a distribution that has already been made from another 529 plan, do not use this form. Please complete a New Account Agreement.

Please note: You can rollover assets from another 529 plan for the same Beneficiary once every 12 months or at any time if you are also changing the Beneficiary to another family member. Be sure to also complete a New Account Agreement if you are opening a new Account with John Hancock Freedom 529. Upon receipt of this request, in good order, we will contact your current 529 program manager to initiate the rollover process.

2. Rollover from an existing 529 plan

I am requesting a direct rollover from an existing 529 plan into the account of:

- Same Beneficiary
- New/different Beneficiary

Name of new Beneficiary

Relationship of new Beneficiary to the current Beneficiary

To avoid delays, if your rollover request will result in a change of Beneficiary, please contact your current program manager to fulfill any special requirements to facilitate such rollover requests.

I am rolling over assets from more than one 529 program manager for the Beneficiary named above. (A separate form is required for each 529 program manager from which you intend to rollover assets.)

Note: You can only rollover assets from another 529 plan for the same Beneficiary once every 12 months (even if more than one Account Holder has an Account for the Beneficiary) or at any time if you are also changing the Beneficiary to another family member. Rollover requests for more than one Account for the same Beneficiary submitted at the same time will be considered as one rollover for that Beneficiary.

For financial professional use only

Check here if rollover purchase is eligible for a waiver of the initial sales charge, consistent with the terms and conditions listed in the Plan Disclosure Document.

7. Client certification and signature

- I certify that if this rollover is for the same Beneficiary, there have been no other rollovers between 529 plans for the same Beneficiary in the previous 12 months. I certify that if this rollover is for a different Beneficiary, the beneficiary on the John Hancock Freedom 529 plan account is a member of the family (as defined by federal law and described in the John Hancock Freedom 529 Plan Disclosure Document) of the Beneficiary on the current 529 plan account I am rolling over. I hereby authorize this rollover and acknowledge that if my current 529 program manager fails to provide the applicable earnings, the entire rollover contribution will be treated as accumulated earnings. I agree to indemnify and hold harmless John Hancock Freedom 529, the Education Trust of Alaska, and the Program Manager, and any entity designated by it to provide services, for any claims arising as a result of untrue or inaccurate information supplied by me.
- If I have elected the Letter of Intent (LOI) option, I agree to the terms as disclosed in the Plan Disclosure Document. Your resigning 529 program manager may require a Medallion signature guarantee in order to process the rollover, so please check before sending us this rollover form. Most 529 program managers accept eligible guarantor institutions as defined by the *Securities Exchange Act of 1934*, such as commercial banks that are FDIC members, trust companies that are members of a domestic stock exchange, and foreign branches of any of the above. A notary public is not an acceptable guarantor.

If a signature guarantee is required, you must sign this form in the presence of a guarantor that is a participant in a Medallion Signature Guarantee Program. You can obtain a Medallion signature guarantee from most banks, savings institutions, or broker-dealers. We cannot accept guarantees from other guarantors, nor from notaries public or organizations, that do not provide reimbursement in the case of fraud as would a Medallion signature guarantor. When obtaining a Medallion signature guarantee, please discuss with the guarantor the dollar amount of your proposed transaction. It is important that the level of coverage provided by the guarantor's stamp covers the dollar amount of the transaction, or it may be rejected.

If your state or your designated Beneficiary's state offers a 529 plan, you may want to consider what, if any, potential state income tax or other state benefits it offers, such as financial aid, scholarship funds, and protection from creditors, before investing. State tax or other benefits should be one of many factors to be considered prior to making an investment decision. Please consult with your financial, tax, or other professional about how these state benefits, if any, may apply to your specific circumstances. You may also contact your state 529 plan or any other 529 education savings plan to learn more about their features. **Please contact your financial professional or call 866-222-7498 to obtain a Plan Disclosure Document or prospectus for any of the underlying funds. The Plan Disclosure Document contains complete details on investment objectives, risks, fees, charges, and expenses, as well as more information about municipal fund securities and the underlying investment companies that should be considered before investing. Please read the Plan Disclosure Document carefully prior to investing.**
