Fund Performance

The following graph compares the initial and subsequent account values at the end of each of the most recently completed 10 fiscal years of the fund (or for the life of the fund, if shorter). It assumes a \$10,000 initial investment in the fund and in an appropriate, broad-based securities market index for the same period.

GROWTH OF \$10,000

AVERAGE ANNUAL TOTAL RETURN	1 Year	5 Years	10 Years
Global Shareholder Yield Fund (Class C/JGYCX)	11.35%	13.45%	5.80%
Global Shareholder Yield Fund (Class C/JGYCX)—excluding sales charge	12.35%	13.45%	5.80%
MSCI World Index	7.04%	16.13%	9.50%

The fund has designated MSCI World Index as its broad-based securities market index in accordance with the revised definition for such an index.

Performance figures assume all distributions have been reinvested and reflect the beneficial effect of any expense reductions. Class C shares sold within one year of purchase are subject to a 1.00% contingent deferred sales charge. Past performance does not guarantee future results. The return and principal value of an investment will fluctuate so that shares, when redeemed, may be worth more or less than their original cost. Due to market volatility and other factors, the fund's current performance may be higher or lower than the performance shown and can be found at jhinvestments.com/investments or by calling 800-225-5291. The graph and table do not reflect the deduction of taxes that a shareholder would pay on fund distributions or redemption of fund shares. It is not possible to invest directly in an index.
