

John Hancock Investment Management can now offer programs that qualify for recertification credits for HR pros

John Hancock is recognized by SHRM to offer professional development credits for SHRM-CP® or SHRM-SCP® recertification activities.

We're pleased to announce that we've been granted status by the Society for Human Resource Management (SHRM) to offer programs that qualify for recertification credits for SHRM Certified Professional (SHRM-CP®) and SHRM Senior Certified Professional (SHRM-SCP®) credentials.

As a member of the SHRM Recertification Provider network, we'll be able to award professional development credits to human resource professionals for our select programs that relate to the SHRM Body of Applied Skills and Knowledge™ (SHRM BASK™).

"The Society for Human Resource Management welcomes the opportunity to partner with John Hancock Investment Management to provide quality educational opportunities to support the recertification efforts of HR professionals who have attained their SHRM-CP or SHRM-SCP certifications," said Alex Alonso, SHRM-SCP, chief knowledge officer with SHRM, which bills itself as the world's largest association devoted to human resource management.

Please reach out to any of John Hancock Investment Management's DCIO specialists for more information on the programs we offer.
